95. Int. Main Area - Rainbow Fashions - The Next Morning

Sorry if I'm giving away “the big mystery”, but the counter inside Rainbow Fashions changes position in the eight hours or so between Dr. Bill's two visits. If Milich was going to “deal with” his daughter, and then with the two Japanese gentlemen, when did he find the time to make over the interior of his store? It seems too much to imagine that he spent the night moving his counter around. How dreamy this world is . . .
